

Family Mediation

for separated parents

Family Mediation

Separation and divorce are difficult for most families. Usually there's a lot to sort out at the time of separation, or even years later. You may be worried about living arrangements, parenting apart or making arrangements for your children.

Many grandparents are also affected by family breakdown. Mediation can benefit all family members.

mediation helps you focus on what matters

Our Family Mediators help families resolve issues including

- ▶ arrangements for children and contact schedules
- ▶ communication and parenting apart
- ▶ conflict resolution
- ▶ grandparents and stepfamilies
- ▶ residence
