for children and families

Contact Centres

AVENUE Child Contact Centres are welcoming places where separated children, parents and families can enjoy time together.

Our Centres are open across Northeast Scotland on weekends and at other times by arrangement ...

- ▶ Aberdeen
- ▶ Elgin
- ▶ Huntly
- ▶ Turriff
- ▶ Banff
- ▶ Fraserburgh
- ▶ Peterhead

children tell us they want to keep in touch with both parents

The centres can be used for contact or to pick up or drop off children. Contact can either be supported or supervised.

Trained staff provide toys and play materials and ensure children can relax and have fun.

We ask you to attend a pre-contact visit with a Family Support Worker to clarify expectations.

Visit our website for more details.
